1) Please describe, in detail, the cart/rack you'd like to submit.

2) How would this cart be a help to you?

3) How do you see this being a popular cart in your industry?

4) What attributes would you like this cart to have (i.e. axle size, steel gauge, flat free tires, e ratchet pockets, looped handles...)

5) Is there any other information that would be helpful for us to know.

6) Please provide a sketch including the front profile, side profile, and rear profile. We have included some graph paper on page 2 for your convenience. Feel free to send us additional detailed sketches or renderings if needed.

By signing and submitting this document I agree to the following terms:

This design is an original design of my own submission. I relinquish any rights to royalties, shared revenues or profits of any kind. Once submitted the design will become property of Granite Industries and can be used for future carts without acknowledgment. Designs must be submitted by July 31, 2020.
