Stadium Bleachers by Granite Industries

Granite Stadium Bleachers are ideal for rental or permanent installation. There are elevated or non-elevated seating options depending on your specific requirements. Choose between custom stairs or custom ramps, or both! Granite Stadium Bleachers are designed to ensure optimal fit and finish. Full ADA Compliance.

Construction

Granite takes pride in its bleacher construction. Engineered, manufactured and assembled at the Archbold, OH plant, these bleachers are made by local skilled workers. The Fulton Bleachers are built specific to your order from top grade steel. The steel is welded and powder coated in house to ensure consistent quality.
