

Stage Skirting & Clips

Vantage Skirting by JoMar

Granite Industries uses and recommends Vantage stage skirting by JoMar. It's a heavier skirt that resists wrinkles, is easy to clean, and lasts use after use.

Skirting Clips

Clips are a great option for attaching skirts to your stages. They attach easily, and securely time after time. Unlike velcro tape, which can be a sticky and time consuming mess, clips offer a hassle free method for putting those finishing touches on your stage.

Sorry, Granite Industries does not sell stage clips, but these items can easily be found online through other vendors.

Snap Drape FV Clip

Designed to fit stages equipped with steel aprons.

Snap Drape WV Clip

3" Wide Velcro Skirting Clip
Fits .75" Edge
