Stage Legs, Feet & Braces

For use with Signature Staging, ZDex and Axis Aluminum Staging.

The starter and adjustable legs are drilled in 1" increments for easy adjustment and quick assembly. The foot is non-marring with fine adjustment. Unique telescopic leg design offers maximum stage adjustment. The Quik-Connect brace is held in place with only 2 snap pins. The diagonal brace adds stability to any stage and is recommended on stage deck heights above 24".
